

Limited benefit insurance

You can't predict an illness, but you can be prepared

No matter where you are in life, you never know when you or a loved one could experience a critical illness, such as a heart attack or stroke. Medical advancements and early detection are helping many people survive critical illnesses. However, preventive tests and treatment can lead to increased medical expenses, and your health insurance may not cover these costs.

Limited benefit insurance from Colonial Life helps supplement your major medical coverage by providing a lump-sum benefit that you can use to pay the direct and indirect costs related to a covered critical illness.

With this coverage:

- Benefits are paid directly to you, unless you specify otherwise.
- You may receive additional benefits if you're diagnosed with more than one critical illness.
- Coverage options are available for you, your spouse and eligible dependent children.
