

Dental Insurance

Coverage that can put a smile on your face

Regular dental care is an important part of maintaining your overall health. Unfortunately, a trip to the dentist's office can be costly, even if it's just for a routine cleaning. More advanced procedures, such as root canals and oral surgery, can lead to even more expensive bills.

Dental insurance from Colonial Life covers a wide range of treatments and pays a fixed benefit amount for covered dental procedures.

With this coverage:

- You have the freedom to choose any dentist you want and still receive the same benefit amounts.
- If you select a network dentist, you'll receive discounted services.
- You may receive immediate benefits for routine cleanings and X-rays.
- Benefits are paid based on the exact amount defined in the policy.
- There are no deductibles, no pre-certification and no co-insurance.

Life is full of unexpected smiles, and good oral health helps maintain them. Colonial Life dental insurance helps you pay for routine and costly dental care for you and your family, so you can focus on what's important.

Policy details

The policy year maximum benefit for this policy is \$2,000 per person.

Class A, B and C services apply toward the maximum.

This policy has a deductible of \$50 per person, per policy year for class B and C services.

Each covered family member pays a deductible up to a maximum of three members each policy year.

The coinsurance for this policy is:

CLASS	TYPE OF SERVICE	INSURANCE PAYS
Class A	Preventive services	100%

How does this policy pay benefits for network and out-of-network care?

Network benefits

Network providers have agreed to charge discounted rates for covered services. You receive the benefit of discounted services, and pay only your coinsurance portion and any applicable deductible. Plus, network providers will file your claim for you, so you don't have to deal with the paperwork.

Out-of-network benefits

Out-of-network providers haven't agreed to discounted rates, and their fees may vary significantly. Your policy's coinsurance may not cover the total costs of dental care and, in addition to any deductible, you are responsible for any remaining balance. This is referred to as "balance billing" and only happens when you go out of network.
